Virtuoso clarinet players gather at Western to share the expressive range of a clarinet trio. They promote new works, many of which are commissioned by the trio. The concert at the Don Wright Faculty of Music features a transcription by Western alumnus Jeff Smallman. Smallman transcribed Borodin's *String Trio in G minor* and the final movement of Gabriel Faure's *Piano Trio in D minor*. The program also includes innovative new works by Jeff Lambert and Jorge Montilla with multiphonics, improvisation and percussion.

The members are:

Jana Starling, E-flat clarinet - Western University

Leslie Moreau, B-flat clarinet - Boise State University

Anne Watson, bass clarinet - Northeastern State University

Selections from:

Solstice Fire - Jeff Lambert
Ironwood Trio - Jorge Montilla
Trio in G minor - A. Borodin/Smallman
Trio in D minor - G. Fauré/Smallman
Ebony Suite - Michael Kibbe
Hasana Tanz - David Snow
