Rondo
David Snow: Dance
Movements
Witold Lutoslawski: Mini
Overture for Brass Quintet
Josquin de Pres: Chansons
– edited by Raymond Mase
Eric Ewazen: Colchester
Fantasy

Although the ABQ was founded in 1960, this is the group's debut performance on our

series. Instruments include two trumpets, tenor and bass trombones, and horn, playing music “originally written for brass.” Its commissions by such giants as Bolcom, Carter, Schuller, and Schuman are significant contributions to the brass quintet repertoire. The ABQ has been in residence at Juilliard since 1967.
